By the time you read this it will be about two months before the FCA Nationals in Warwick. If you are not aware, the Host Hotel the Crowne Plaza in Warwick is now full. There are a limited number of rooms available at the Holiday Inn Express in Warwick for \$139/night. The telephone number is 401-736-5000. Please be sure to mention the Falcon Club. Once these rooms go you will be on your own to find a hotel. There is a list of hotels in the surrounding areas and the pricing on our Northeast Chapter website. If you have not made your reservations, yet you had better hurry before it is too late. This is going to be one of the best National Conventions the Falcon Club of America has ever had. You do not want to miss this one if you have not had the chance to attend a National FCA show in the past. Cris and Rick have put together a great event and will need us all to pitch in and give them a hand when the time comes. Having a great event program will mean nothing if we do not execute the program to its full potential.

I am pleased to announce this publication has received its second consecutive Golden Quill Award. Without the chapters support this could not have happened, so be proud of your chapter and continue to show your support at the 2015 National Convention in Warwick.

Well I had better step down from my soapbox again before I fall off. See you soon, until then.

NEW FALCON ECONOMY...

36th Annual National Falcon Show

Well, it is almost here! The National Show is just a couple of months away. The hotel is filling fast, the registrations have been coming in daily, and the events have been filling up as well. (Editor's Note: The hotel is full.) We have had many people offer to help during the show. We are still looking for people who can give us a couple of hours to help. If you have not volunteered yet, please consider it. We would greatly appreciate if you were able to give us two hours on Thursday, Friday, or Saturday.

The Winery Tour to Jonathan Edwards Winery on Friday, July 7th is officially full! Please send a check if you would like to attend but have not sent in your registration, and we will hold it in case we have any cancelations. The Newport trip filled up so quickly that we added a second bus. If you plan to join us in Newport, please send your registrations in soon. The Ladies Tea has quite a few women attending (nearly 50 so far) and we have some fun activities planned while you are there. Hats are encouraged but not required.

If you have not heard the news, a new tour has been added to Thursday afternoon! Tasca Ford has invited us to tour their facility and will be giving us a history of the family's involvement with Ford. They will have various cars to show us, including a 1965 Ford Shelby, possibly one of Bob III's racecars (not positive yet), and others. In addition, we have an invite for refreshments while there. This will be after the tour of Factory Five Racing in Wareham, MA on Thursday morning.

Things are coming together and we are all very excited to see the great responses we have received. Please, if you plan on attending and have not gotten your registration in yet; send it as soon as possible. We need to know how many will attend to give us an idea of how many awards and T-Shirts we need to order. We must put our order in by the middle of May to assure we will have everything by the show.

If you have any questions, please visit our website, [www.northeastchapter.com](http://www.northeastchapter.com) or contact us at [Falconsprint@aol.com](mailto:Falconsprint@aol.com). We would love to have you join us for this exciting time!

### *The Country Garden Town House, New Jersey*

#### **Holiday Salad**

Color whole slices of pineapple red and green with vegetable coloring. Flavor red with cinnamon and green with peppermint. Serve on lettuce with mayonnaise. You may also cut colored pineapple in cubes and serve on a relish tray.
